Docket No. 2004-681

September 30, 2004

BANGOR HYDRO-ELECTRIC COMPANY
Request for Approval of Revisions to
Standard Offer Provider Standard
Service Agreement

ORDER

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

In anticipation of the upcoming standard offer solicitation, Bangor Hydro-Electric Company (BHE) filed proposed changes to its Exhibit A to the Standard Offer Provider Standard Service Agreement. BHE's changes relate to a change in the uncollectible adder and additional language to comply with the Commission's new rule, Chapter 315, on Small Generation Aggregation.

Upon review, I conclude that BHE's revised uncollectible adder and new section on Small Generator Aggregation are reasonable. Therefore, I approve BHE's proposed revisions to Exhibit A of the Standard Offer Provider Standard Service Agreement.
